

Investing for Success

Snapshot report

Under the Investing for Success Agreement for 2017
Graceville State School received

\$246,983

Our school initiatives are on track to meet or exceed our targets

During 2017, we focused on maximising the benefits of this funding for our students. After reviewing our 2017 *Investing for Success* agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our initiatives to ensure that every student succeeds.

Initiatives implemented include:

- Percentage of Year 3 students in NAPLAN reading upper two bands to be greater than 75%
- Develop a learning plan for students who are below the National Minimum Standard
- Strengthen teaching capability through focused professional development, cycles of inquiry and coaching

Our school initiatives are showing substantial progress toward our targets

After reviewing our 2017 *Investing for Success* agreement, it is clear that we have made progress toward our targeted student outcomes. We will continue to focus on maximising the benefits of this funding for our students, and adjust our initiatives as needed to ensure every student succeeds.

Initiatives implemented include:

- Increase percentage Year 3 students in spelling in the upper two bands to be greater than 65%
