A message from the P&C

The Graceville State School fete is a fantastic annual celebration of our school community. With great rides, fireworks and food, it is not surprising that this big day puts a huge smile on our children’s faces each year.

However, the impact of the fete goes well beyond this. Many people come together to make this event happen. Our school leaders and the fabulous teaching staff work hard to prepare the children for their performances and demonstrations. Local businesses generously support our school with their time, products and funding. In short, the spirit of the wider Graceville community is on show.

The fete also raises much-needed funds for the school, with the P&C contributing considerably each year to the environment of the school to help our teachers teach and our children to learn. This year, the P&C is embarking on major projects related to electricity use, solar power and ventilation of the hall – and the proceeds from the fete will support these significant causes.

A lot of effort goes into organising the fete. Members of our fabulous parent body offer their time and resources. Our wonderful volunteers really are the key to making this day such a hit. Fete Committee members are especially dedicated to the event and I thank them immensely. In particular, Kathy Whitefield deserves recognition after being the fete convenor for many years. This is her last year as convenor and, on behalf of the P&C, I want to commend her contribution.

Have a great day at the fete. Eat up, spend up, enjoy your children’s activities and look forward to a great fireworks display at 7pm.

Chris Hansen - P&C President
Live Auction

Please visit the Auction Display in the new undercover area from 11am for full details of the items being auctioned. The hammer comes down at 3pm ... don’t miss your chance for some fantastic bargains!

Can’t make it on the day or are too shy to bid? No problem! Check out the pre-auction bidding options on our Facebook page or drop by the Auction stall on Fete Day to pick-up a pre-auction bid form! All lots will be sold – no reserves!

Minor amendments may be made to Auction Lots prior to commencement of the Auction at 3pm 27 August 2016.
