

Getting Started

It's easy!

If the child already has a Commonwealth Bank Youthsaver Account

You can start straight away!

Bring in the Dollarmites deposit wallet with the deposit and completed deposit book on banking day. Deposit books are collected by class teachers or placed in the bucket at the front office.

If the deposit book or wallet has been misplaced new ones can be obtained from any Commonwealth Bank branch or the School Banking Co-ordinator.

If the child does not already have a Commonwealth Bank Youthsaver Account

You will need to open a "Youthsaver" account. This can be done in the following ways:

- **At any Commonwealth Bank branch** (no forms to fill in!). Just ask to open a Youthsaver account for School Banking. Remember to take Identification for yourself and your child (such as drivers licence and birth certificate).
- **Online at Netbank** – if you are an existing Commonwealth Bank Customer with access to Netbank. Please note that this may take up to 2 weeks before a Dollarmites wallet and deposit book is sent to your home address.
- **Download a [Youthsaver Application Form](#)**. Please note that this may take up to 2 weeks before a Dollarmites wallet and deposit book is sent to your home address.
- **Account Opening Day.** The local Commonwealth Bank banking co-ordinator will be coming in at the beginning of school term to provide assistance in opening the Youthsaver Account.

Siblings of students who do not attend our school are able to apply for a Youthsaver account and participate in School Banking.

Graceville State School Student Banking

Making Deposits

Student Banking Day is **Wednesday each week**.

Deposit wallets are collected by the classroom teachers first thing in the morning or you can place the deposit book in the bucket available in the front office.

The aim is to have the deposit wallets returned to the children on the same day.

Important Notes!

- A “Student Number” will be allocated to each child when they make their first deposit at school. This number will be written on the inside cover of their deposit book.
- The deposit slip and stub must be completed in full each week by the parent or child before bringing the book to school on Student Banking Day.
- Foreign Currency is not accepted.
- Only one deposit per child can be processed each Student Banking Day.

Helping Out

The Student Banking Program at our school is run completely by volunteers.

We have one Student Banking Co-ordinator and a team of volunteers.

Volunteers are always welcome and without them this program cannot run and benefit our children and school.

If you want more information please contact Sam: samken@samadam.id.au or if you would just like to come and have a look at what we do, on Wednesday morning after drop off ask the Front
